Part II Schemes for 1948-9 - Recommendations of the Standing Finance Committee.

The Development Department may be informed that the Standing Finance Committee at its meetings held on the 10th and 11th January 1948 considered all the Part II Schemes for 1948-9 put forward by them (as shown in the list attached) and made the following recommendations:-

(a) The following schemes may be omitted:-

Item Nos. 14, 27, 40, 41 and 285.

(b) Only a token provision for of Rs.100 may be made for item 35. The scheme requires further examination with reference to the question whether it can be worked through a co-operative society or societies, as it does not appear that it could be worked satisfactorily by direct departmental dealings with individual fishermen.

(c) An additional scheme may be entered with a lumpsum provision of Rs.1 lakh (non-recurring) under "47 Miscellaneous Departments" for ameliorative measures for backward classes (as distinct from Harijans). Development should work out detailed proposals.

(d) The expenditure in respect of item 35 should be met from the Village Reconstruction and Harijan Uplift Fund.

In my letter No. A.2.7185/47, dated; 1.10.1947, I recommended a grant of Rs.1,000/- to the Shabari Ashram, Karkal towards the cost of construction of a weaving hall in the Ashram. The Collector of South Kanara, now reports that the weaving hall had already been constructed in 1946 at a cost of Rs.1,600/- He has not sent the plans and estimates for the weaving hall. The honorary secretary of the Harijan Seva Sangh, Karkal, states that in addition to the expenditure of Rs.1,600/- on the construction of the weaving hall, an expenditure of Rs.400/- has been incurred for the installation of four looms in the weaving hall and requests that Government may be pleased to sanction a grant of Rs.2,000/- for these items.

In my letters A.6. 8625/46, dated, 19.9.47 and A.2.

P. T. O.

A.2.7185/47, dated, 1.10.47, I recommended grants for the following purposes:-

1) Rs.1,200/- towards the cost of construction of model buildings in the Ashram for use as residence of Harijans working on the Khadar looms and 2. Rs.3,000/- towards the cost of construction of four model huts for housing the teachers in the weaving section of the Ashram. The Collector of South Kanara states that the four model huts referred to in item 2 are now intended to accommodate both the Harijan workers and the teachers. The grant of Rs.1,200/- recommended in my letter No.A.6.8625/46, dated 19.9.1947 for item 1, will not therefore be necessary. As regards the model huts, the honorary secretary of the institution reports that one has already been constructed at a cost of Rs.1,000/- and three more are proposed to be constructed soon. According to plans and estimates, approved by the Public Works Department, which are sent herewith, each of the three huts which are proposed to be constructed will cost Rs.900/- The grant required for the four huts is, Rs.3,700/- (rupees thousand for the one already constructed and rupees two thousand seven hundred for the three which are yet to be constructed.)

The president of the institution requests that as the institution has no income whatsoever from other sources and as public help is dwindling, a full grant and not the usual half grant may be sanctioned by the Government. The Collector endorses the request. I recommend that a grant of Rs.5,700 (rupees two thousand referred to in paragraph 1 and rupees three thousand seven hundred referred to in paragraph 2 may be sanctioned to the institution.

Sir,

Sub:- Buildings grant - South Kanara District - Karkal - Shabari Ashram.

Ref:- Government Order No. M.S. 2983 Development dated 3.6.1948.

I enclose a copy of letter No. C-SI-14653-48 dated 28.2.1949 received from the Collector of South Kanara. In their memorandum No. 78375-VIII-F-D, the procedure laid down in Rule 54 to 55 of the grant-in-aid Code should be followed before the grant is disbursed to the Ashram. According to Rule 54(i) of the Grant-in-aid Code, except in cases where the owner or management of the property has been exempted from the execution of mortgage deed etc, No grant or advance shall be paid before the title deeds have been examined by the Government Solicitor. The title deeds and other documents obtained from the management were sent to the Government Solicitor, Madras to certify whether they are in order. But the Government Solicitor returned the documents for the reason stated in his letter No. 1169 dated 7.3.1949 (copy enclosed).

2. As desired by the Government Solicitor, I have requested the Collector to obtain from the management English translations of the documents, encumbrance certificate etc., to be sent to the Government Solicitor for verification as it does not appear to be safe to make any payment of the grant to the management without any proof that there are no encumbrance on the properties. I have also requested the Collector to obtain from the management the fee of Rs. 57/- for payment to the Government Solicitor in advance.

3. The procedure to be followed according to the Rules of the Grant-in-aid Code will take some time and it will not be possible to disburse any portion of the grant to the management before the close of the current official year. I submit this for the information of the Government.

For Commissioner of Labour.

Sub:- Harijan Welfare - South Kanara District - Grant to Shabari Ashram - Karkal - construction of a weaving hall and four model huts - draft mortgage deed and certificates - transmitted for secrutiny by the Government Solicitor.

Ref: your reference A2 9110/48 dt 11.11.48

In this case the Government, in G.O. No. Ms. 2983 Development dated 3.6.48 sanctioned the payment of the building grant of Rs. 5,700/- to the Shabari Ashram, Karkal as detailed below:-

1. Construction of a weaving hall (including the cost of four looms at Rs. 100/- each).	Rs. 2000-0-0.
2. Construction of four model huts.	Rs. 3700-0-0.
	Rs. 5700-0-0.

The Shabari Ashram has actually put up so far one weaving hall, with four looms and also only one model hut. For want of funds, it is unable to build immediately the remaining three model huts. The aggregate cost of the work done comes to Rs. 2899-4-2 as detailed below.

1. Expenditure incurred on the weaving hall	Rs. 1571-4-6.	
2. Expenditure incurred on the four looms.	Rs. 304-3-9	
		Rs. 1875- 8-3.
3. Expenditure incurred on the one model hut.		Rs. 1023-11-11.
Total.		Rs. 2899- 4-2.

This has been verified by the District Harijan Welfare Officer with reference to the original accounts and vouchers maintained by the Ashram. The Honorary Secretary of the Harijan Seva Sangh, Karkal requests that the payment of Rs. 3000/- or any reasonable amount may be paid immediately. He also requests that the balance may be paid as the work progresses or after the work is finished.

2. The building in question were got examined by the Public Works Department. The two completion certificates received from the Executive Engineer, P.W.D. South Kanara Division, Mangalore as also his letter No. ~~345-M-58-M-B~~ dated 10.2.49 are enclosed for your perusal and return. The Executive Engineer states that the works have been examined by him personally and that they have been executed according to the approved plans and estimates and satisfactorily too. He suggests that the payment of proprotionate grants may be recommended. The cost of the works executed so far comes to Rs. 2899-4-2 as already reported above. The proportionate Government grant for these items works out to Rs. 2925/-. Hence I recommend that orders may be issued sanctioning the payment of a round sum of Rs. 2,900/- immediately so that the disbursement may be made by 31.3.49. In regard to the balance of Rs. 2,800/- there is no possibility of paying it before the end of this financial year but may be made available early next financial year in the circumstances stated by the Secretary, Harijan Seva Sangh, Karkal in his lettr dated 22.2.49 addressed by him to you through this office which is also enclosed.

Sub: Labour depot - South Kanara Dt - Sri Sabari Asraman run by the Harijan Sevak Sangh, Karkala - Special grant for putting up two model buildings -

Read: Letter from the Coll'r No A.6-8625/46 Dated 19-9-47.

To AS

On Nov'46, the Harijan Seva Sangh, Karkala, South Kanara Dt requested the Govt for a grant of Rs 1200/- to the Shabari Ashram Hostel at Karkala for the construction of 2 model buildings to provide residential quarters to educated Harijans working in the Khadder looms in the Ashram. The Collector of South Kanara reports that the cost of putting up the sheds was estimated at Rs 1,326 as he recommended that a lump sum of Rs 1,200/- may be granted as requested by the authorities of the Ashram. The Coll'r also supported the proposal. As the proposals for payments of buildings grants are usually treated as Part II schemes and as the proposal did not satisfy the criteria laid down by Finance dept for introduction of schemes during the course of the current year, the Coll'r was asked to bring this item forward as a Part II scheme for 48-49. The Coll'r has now requested that this proposal may be considered as a Part II Scheme for 48-49 and that a sum of Rs 1,200/- may be provided for the purpose in the budget for the year 48-49. This dept may support the proposal and the file may be sent to Finance dept for remarks.

The Commr of Labour proposes that a grant of Rs 4000 may be paid to the Shabari Ashram, Karkal towards the construction of 4 model huts and a weaving hall in the Ashram. Development support the proposal and suggest that it may be treated as a Part II scheme for 1948-9.

2. The grant of Rs 4,000 proposed includes the following amounts :-

	Rs
(i) Construction of 4 model huts	3,000
(ii) Construction of a weaving hall	1,000

(i) Model huts. The huts are intended for the residence of trained and educated harijans proposed for employment as weavers in Shabari Ashram. The estimated cost of each is Rs 750 ; details are not available to show how the sum of Rs 750 has been arrived at.

(ii) Weaving hall. The Ashram has already put up a building for weaving at a cost of Rs 1600 and spent Rs 400 for 3 looms working there. It was stated that one more loom at a cost of Rs 125 was necessary. Thus, the total cost works out to Rs 2,125. The President of the Ashram requested the payment of Rs 1000 only towards the above expenses.

3. Under para 57 of the Madras Budget Manual, grants or loans to local bodies for new works will not be considered unless detailed plans and estimates have been sanctioned by the competent authority and unless their necessity has been established. The same procedure holds good for grants to private institutions also. Development may be requested to call for detailed plans and estimates ~~which should be approved by the competent authority in the P.W.D. sanctions them after scrutiny by the Govt.~~ they may

4. The proposal in this file does not satisfy the criterion laid down by the Govt. for the selection of Part II schemes for 1948-9. It is not also usual to sanction more than half grants to private institutions for building purposes. On this basis, the total amount of grant admissible will be roundly Rs 2,500 [½ of 3000 + ½ of 2125] against Rs 4,000 proposed by Devt. Development may be requested to obtain orders in circulation including H.M. (Fin) as to whether the proposal will be considered as a Part II scheme for 1948-9 or not, after taking action with reference to para 3 above.

The further notes of Deo from p 5 above may be perused.

A provision of Rs 5200 for the items mentioned at M on p 5 above has been included in the Part II Budget for 1948-49. - See item 187 on p 153 of the Budget Memo. for 48-49. The expenditure was ordered to be met from the Harijan Uplift Fund. The Comnr of Labour has since recommended a grant of Rs 5700 to the Ashram, and the following statement explains the difference between the grant originally sanctioned in the part-II Budget for 48-49 and that now recommended by the Comnr of Labour.

Item	Provision made in the Part II Budget for 48-49 Rs	Amount now recommended Rs
(1) Construction of a weaving hall in the Ashram	1,000	2,000 (including cost of 4 looms @ 100 each)
(2). Construction of 4 model huts for housing teachers etc.	3000	3700
(3). Construction of two model buildings for the residence of Harijans working on khadder looms.	1200	Nil (now omitted as item 2 above provides for the residence of Harijan workers also

Item (1) above :- The cost of this item was estimated at Rs 2000, but the President of the Ashram originally asked for a grant of Rs 1,000/- only - See B on p 3 ct of the memo at (A) and K of Fin. note on p 4 above. A grant of Rs 1,000 was accordingly sanctioned in the Part II Budget for this item. Now the President has asked for a grant of Rs 2,000, as the institution has no income whatsoever from other sources.

Item (2) above

The increase in expre under this item is explained at X on p 7 above

Item (3) above

This item is not now required as the Harijan workers are proposed to be accomodated in the 4 model huts referred to in item 2 above.

2 As the present proposals deviate from the Part II Scheme already sanctioned and provided for in the Budget for 48-49, Dev may be requested to obtain orders in circulation including H H (Fin), on the revised proposals
